

Income Tax Reduction Estate Tax Elimination

YOU WILL LEARN HOW:

- To minimize or even **eliminate taxes** on your estate
- To **avoid double taxation** on your “Red” retirement accounts
- To **bypass** paying upfront **capital gains taxes** when selling your investments
- To convert assets into an **income you can’t outlive** and leave a **lasting legacy**
- Our government **wants you** to save taxes and **leave more** to your estate!

Keith Thomson is an internationally recognized financial educator, author and consultant, specializing in estate and charitable tax planning. Thomson has authored the book, **“What Was Your Great Grandmother’s Name? ~ 50 Thoughts On How Canadian Philanthropy Can Transform You, Your Family And Your Community”**. He has written numerous articles having appeared in publications such as The Globe and Mail and CPA Magazine. Hundreds of lawyers, accountants, financial advisors and philanthropic professionals have all benefited from his instruction.

Keith’s presentations expand on the strategies he has developed to take full advantage of the tax incentives our government has created to encourage charitable giving. The expertise that Keith offers in his presentations to entrepreneurs, professionals, and retirees has already redirected more than \$10 million of their social capital... also known as taxes.

Keith currently serves on the board of Seva Canada whose mission is to restore sight and prevent blindness in low income countries. For over five years he was chair of The African Medical and Research Foundation and has also served on the boards of The Power Plant Contemporary Art Gallery and The Toronto Foundation. Keith and his wife, Tanja, and their daughter, Kiera, reside in the Beach neighbourhood of Toronto.

Do not miss this opportunity to hear one of our nation's most knowledgeable, entertaining and engaging speakers on the topic of how you can save income and minimize estate taxes.
